Dear Robin Bergert,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-319-E - Application of Duke Energy Carolinas, LLC for Adjustments in Electric Rate Schedules and Tariffs and Request for an Accounting Order

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Subject: Duke Energy Rate Increase

I would like to ask you to please not allow Duke Energy to raise our rates. Spartanburg is starting to come into its own as being a nice place to live. We still have a big problem with poverty and crime. This increase will result in greater poverty and crime and hurt everyone else, particularly the elderly and small business startups. Duke has a strangle hold on our community and all the hard earned forward movement we have made could reverse. Save your constituents. Don't let Duke get away with this. I send this to you because I am an elderly woman who cannot drive at night to attend the public meeting.
